

## Submission for grant funds

What is your current need?				
How will you spend the money?				
Is this an ongoing need?				
If this is an ongoing need, how do you normally fill this need?				
What is your current bank balance?				
Do you anticipate the balance going any lower?				
Do you anticipate the balance going any higher?				
Where are you losing money?				
Have you thought of ways to improve your deficit?				
How would this grant benefit the population?				
How would this grant benefit your chapter?				
Will you be needing to upgrade to new technologies?				
Are you seeing new needs of patients?				
Are there any other obstacles to overcome besides financial?				
Are government regulations ever an obstacle?				
Do economic conditions in the U.S. influence your ability to get donations?
